### ANNUAL REPORT FOR THE YEAR 1941.

---

**T**HE Committee of Management present herewith the 121st Annual Report of the Society.

The Right Hon. Lord Moyne, P.C., D.S.O., has been elected President of the Society in succession to the late Lord Lloyd. In all matters concerning the sea and sailors Lord Moyne has a wide and generous interest from which the Society and its patients will derive special benefit.

The death is recorded with deep regret of Sir Richard Holt, LL.D., the prominent shipowner, who was a Vice-President of the Society since 1936.

Further damage has been suffered by enemy action. The major part of the top storey of the Dreadnought Hospital was destroyed by the last of three showers of incendiaries on the night of the 19th April, and the damage by water to the emergency hospital, reconstructed after destruction wrought in September, 1940, interrupted its work for some weeks and has made working conditions difficult throughout the rest of the year.

The interior of the Hospital for Tropical Diseases was wrecked by a land mine which fell close to it on 10th May.

Two of the Society's freehold properties in London and one in Southampton have been completely demolished: other premises have been damaged.

As on previous occasions during the course of its history, the Society has taken up the cudgels on behalf of the men of the Mercantile Marine. Thanks to the Deputy Chairman, Admiral of the Fleet The Earl of Cork & Orrery, who brought the matter up in the House of Lords on 20th May, sailors of the Merchant Navy have been permitted by the Government to receive gifts of duty-free tobacco from the British Red Cross & Order of St. John War Organisation under the same conditions as men of the Royal Navy.

On the same occasion, and again on 8th July, Lord Cork drew the attention of the House of Lords to the fact that Merchant Navy sailors in hospital are classed as "Civilian Sick or Casualties," and therefore receive less ample rations than Royal Navy ratings in R.N. Hospitals. This discrimination between sailors who are sick or injured after facing the same dangers and hardships has been remedied only insofar as R.N. ratings treated in Civil hospitals are in future to receive only civilian rations.

Two important steps have been taken concerning the Nursing Staff. As from the 1st December, 1940, the Society's Hospitals have been made institutions participating in the Federated Superannuation Scheme for Nurses and Hospital Officers (Contributory). Arising from increases in salary granted by the Minister of Health to members of the Civil Nursing Reserve, all Hospitals have made very considerable additions to the salaries of all grades of Nursing Staff: a proportion of the increased expenditure will be recoverable from the Ministry through the British Hospitals Association to whose action in this and in other important negotiations with the Ministry the Committee wish to pay tribute.

Mr. C. H. Figg, Sir Philip Manson-Bahr and Mr. J. C. Nairne have been appointed to represent the Society on the Committee set up by the Secretary of State for the Colonies to consider post-war arrangements in London for the treatment of tropical diseases and instruction and research in tropical medicine. It has been decided that any new scheme shall be based on the existing organisations of the Seamen's Hospital Society and the London School of Hygiene & Tropical Medicine.

The Committee recognise fully the difficulties imposed by war conditions and by the restrictions in staff and materials, and they pay tribute to the loyal and devoted way in which these have been faced by members of the Medical, Nursing and Administrative Staffs.

The expenditure incurred at the Society's five Hospitals during the past year has amounted to £81,482.

3,232 In-Patients and 12,828 Out-Patients have received care and treatment, and the Committee desire to express their gratitude to all who have given their generous help to this work: their appreciation is also expressed to King George's Fund for Sailors, King Edward's Hospital Fund for London,

the Metropolitan Hospital Sunday Fund, the Royal Seamen's Pension Fund, the National Union of Seamen, Queen Alexandra's Rose Day Committee, and the Canadian Red Cross Society.

Although the Government is contributing towards the cost of maintaining those beds reserved for civilian air raid casualties, and those occupied by seamen injured on duty or wounded by enemy action, voluntary contributions are still required for sailors of the Merchant Navy who need treatment for disease or ill-health resulting from the extreme hardships and exposure which they are enduring in home and foreign waters. The work of the Society's Hospitals is therefore identified with the relief of distress among the sailors who, with dauntless courage, carry across the seas our troops, our food, our war material, and the exports which are so important in helping to finance the war effort.

I. HAMILTON BENN,

16th April, 1942.

*Chairman.*

### EVENTS OF THE YEAR 1941.

The Right Hon. Lord Moyne, P.C., D.S.O., H.M. Secretary of State for the Colonies, presided at the 121st Annual Court of Governors on the 24th April in the hall of the Royal Empire Society's building in spite of the great damage which it had suffered from enemy action a few days before. The Report of the Committee of Management was presented to the 120 Governors present by the Chairman, Captain Sir Ion Hamilton Benn. The adoption of the Report and Accounts, subject to audit, was moved by Lord Moyne and seconded by the Right Hon. Lord Rotherwick, D.L., J.P., President of the Chamber of Shipping of the United Kingdom. A vote of thanks to Lord Moyne was proposed by Admiral of the Fleet The Earl of Cork & Orrery, Deputy Chairman, and seconded by Dr. Philip Manson-Bahr, Senior Physician to the Albert Dock Hospital and Hospital for Tropical Diseases.

Upon the death of Miss M. R. Hooper, a Bed has been endowed in the Dreadnought Hospital by her and her sister, the late Miss Helen E. Hooper, M.B.E., in memory of their late brother Captain H. B. Hooper, R.I.M., who was a member of the Committee of Management 1907-1923 and Deputy Chairman in 1922.

Under the Will of the late Miss Gertrude Young, a Bed has been endowed in the Dreadnought Hospital in memory of Anne Meaburn Young and her sons, Meaburn and Clement Young.

Among the tributes to the undaunted courage and endurance of the officers and men of the Merchant Navy, which have been made in the form of special donations to the Dreadnought Restoration Fund, are included: £200, Mrs. Ravenscroft; the Sir Albert Levy Benevolent Fund, £250; a further £500 from the Ceylon Planters' One Day's Pay Fund; £1,000 from the Indo-China Steam Navigation Co., Ltd., in memory of the late Captain R. C. D. Bradley.

Donations to the General Funds are also gratefully acknowledged to Mrs. Ravenscroft, a further £500; London Shipowners' Voluntary Contribution Scheme, £750; Smith's (Kensington Estate) Charity, £300; Bundles for Britain—East Orange, New Jersey, U.S.A., to Albert Dock Hospital, £275; "Alpha Centauri," a further £200; Mrs. L. G. Angas for the Angas Home, £500; the Bernhard Baron Charitable Trust, £200.

Mr. A. P. Herbert, M.P., has kindly arranged for royalties on his poem "Let's Us Be Gay" and on gramophone records of it to be given to the Thames Beds Endowment Fund.

#### DREADNOUGHT HOSPITAL.

Sir Philip Manson-Bahr, C.M.G., D.S.O., M.D., F.R.C.P., D.T.M. & H., has been appointed Consulting Physician in Tropical Diseases for the duration of the war. Sir Philip, whose name appeared in the Birthday Honours List, is a Consulting Physician to the Colonial Office and Crown Agents for the Colonies, and also Senior Physician at the Society's Albert Dock Hospital and Hospital for Tropical Diseases.

Further important and authoritative contributions to current professional literature have been made during the year by members of the Medical and Surgical Staff.

Three times the Hospital suffered further damage by enemy action; on the 10th January by the explosion of a time bomb in buildings immediately adjacent; from incendiaries on the 19th March, when five outbreaks of fire were

successfully dealt with by the Hospital's fire-fighting squad ; on 19th April, when the last of three successive incendiary attacks proved too much for the fire-fighters and the water supply, with the result that the roof of the eastern wing was burnt and much damage by water done to the ground floor where the emergency unit had been reconstructed after the destruction suffered on 10th September, 1940. For some weeks in-patients were accommodated in the Devonport Nurses' Home until the east wing of the Hospital had been made weatherproof by a layer of asphalt on the floor of the top storey.

The Bernhard Baron Medals and Prizes were presented on 23rd July by Miss E. M. French, W.R.N.S. Superintendent O.T.C., at the Royal Naval College, Greenwich, to the following nurses : Gold Medal—Ethel Anderson ; Silver Medal—Mary McKenna ; 3rd Year Prize—Marjorie Cracknell ; 2nd Year Prize—Vera Yarrow ; 1st Year Prize—Constance Glanvill.

#### **ALBERT DOCK HOSPITAL.**

The Fracture Clinic and Rehabilitation Centre has been able to continue its valuable work for injured sailors and dock workers in spite of interruption by air raids. The methods originated here continue to be under the observation of official circles because Mr. H. E. Griffiths, M.S., F.R.C.S., the Surgeon in Charge, is a member of the Advisory Committee on Rehabilitation to the Minister of Health, and is also being consulted by the Ministries of Labour and Pensions.

The Hospital has been adopted by the East Orange, New Jersey, Branch of Bundles for Britain, from which \$1,150 have been received for new equipment.

Mr. A. E. Rippington has been appointed to the war-time post of Resident Secretary.

#### **TILBURY HOSPITAL.**

An increase of 30 per cent. was shown in the average number of In-Patients resident daily, and the number of Out-Patients was higher than in the previous year.

That a special response has been made to their appeals in their local areas is shown by the following amounts collected by the Tilbury Committee, £557 6s. 9d. ; Grays Committee, £1,023 12s. 5d. (including £420 in the personal list of Mr. E. W. Day, O.B.E.) ; Stanford-le-Hope Committee, £128 4s. 1d.

By permission of the Port of London Authority, Mr. George Whyte has been appointed to the war-time post of Resident Secretary.

#### **ANGAS HOME RECOVERY HOSPITAL.**

Dr. W. E. Cooke, F.R.C.S.I., D.P.H., formerly for many years Medical Superintendent at the Hospital for Tropical Diseases, has taken up residence at Cudham. Additional fully-trained nurses have been appointed to the staff. A new two-storied sanitary unit is being added. The object in view has been to enable patients to be transferred from the Society's Hospitals in the Port of London at an earlier stage of treatment as well as to give sailors who need it a period of recuperation and convalescence.

#### **KING GEORGE'S SANATORIUM FOR SAILORS.**

By kind permission of Brigadier Luton, Major R. Dickson, C.R.A.M.C., visited the Sanatorium daily during the sick leave of Dr. J. E. Wood, the Medical Superintendent.

Her many friends will regret to learn of the resignation from the matronship of Miss A. M. Wootton, after 28 years loyal and devoted service. Trained at the Albert Dock Hospital, Miss Wootton was a sister there, and also at the Hospital for Tropical Diseases. She was Matron at the Queen Alexandra Memorial Hospital, Marseilles, before her appointment to the Sanatorium in 1929.

The Reverend H. O. Parnell has been appointed Chaplain to the Sanatorium.

#### **HOSPITAL FOR TROPICAL DISEASES.**

The Consultative Out-Patient Clinic held each Tuesday and Thursday afternoon in the building of the London School of Hygiene and Tropical Medicine, Malet Street, W.C.1, has been of benefit to many people from all parts of the country.

On 10th May, the building in Gordon Street was rendered untenable by the explosion of a land mine, and the War Office de-requisitioned the premises. The Society has submitted a claim to the War Damage Commission for the cost of protecting the building from deterioration by the weather.

Tropical clinical material continues to be available at the Dreadnought Hospital, where it is demonstrated by the Medical Staff to post-graduate students of the London School of Hygiene and Tropical Medicine.

#### **QUEEN ALEXANDRA MEMORIAL HOSPITAL, MARSEILLES.**

The Hospital is being used by the Groupement d'Assistance aux Polonais en France, and the Committee of Management are pleased that this is so.

---

#### **SAMARITAN FUND AND COMFORTS FUND.**

From the earliest days, donations to the Samaritan Fund have enabled the Society to provide necessitous sailors on their discharge from hospital with surgical appliances, fares to their homes, clothing and small sums of money to tide them over a few days.

Since the outbreak of war each patient has been given on his discharge some woollen comfort to protect him against the extreme rigours of service at sea in war time. On many occasions sailors who have lost all their belongings have been fitted out with complete clothing. Every gift to the Comforts Fund has been individually acknowledged, but the Committee take this opportunity of thanking those who have sent gifts through the British Red Cross & Order of St. John War Organisation, the Merchant Navy Comforts Service, the Personal Service League, the Indian Comforts Fund, the Dreadnought Ladies Remembrance League, the Sanatorium Needlework Guild, the Tilbury Hospital Ladies Linen League, the "Ladies of Lincoln's Inn," and Chesterfield residents, *per* Captain and Mrs. Gillespie Edwards.

Navy blue or grey wool may be obtained coupon-free at reasonable prices from the Secretary, Dreadnought Hospital, Greenwich, S.E.10, to whom the knitted articles must be returned for distribution to sailors of the Merchant Navy.

## **LEGACIES.**

The Committee earnestly hope that the sailors who turn to the Society's Hospitals when sick or injured will be allowed to share in legacies bequeathed for charitable purposes.

By a clause in the Act of Parliament 3<sup>o</sup> Gul. IV, Cap. IX by which it is incorporated, The Seamen's Hospital Society is empowered to receive and to hold Real Estate.

## **ENDOWED BEDS.**

The gift of £1,000 will endow or name a Bed in perpetuity and offers the opportunity of commemorating the names of those dear to the benefactor. A list of such Beds and illustrations of memorial tablets will be found on pages 16-32 of this Report.

## **EXEMPTION FROM INCOME TAX ON CHARITABLE GIFTS.**

The Committee would remind regular subscribers to the Seamen's Hospital Society of the benefit which accrues to the sailor by the adoption of the Income Tax Recovery Scheme. Every subscription paid out of income taxed at the standard rate can be considerably increased at no extra cost to subscribers, if they will sign the requisite form agreeing to pay the subscription for seven years, or until their death, whichever be the shorter period. They can also deduct for Surtax purposes, the gross amount represented by their subscription.

## **QUALIFICATION FOR A GOVERNOR— ONE GUINEA ANNUALLY.**

**LIFE GOVERNOR—TEN GUINEAS DONATION.**

**In the interests of economy, only this special Abridged Report is being issued this year. The complete record of Subscribers and Donors may be inspected on application to the Secretary, Head Office, Seamen's Hospital Society, Greenwich.**
